

To: Division of Transdisciplinary Sciences Students (Doctoral program)

Graduate School Affairs Section Student Affairs Division,  
Transdisciplinary Sciences Administration Department

### Registration Schedule for 2024 second semester

The registration schedule for the second semester of 2024 is as follows. You have to complete subject registration within the designated period. Prior to registering for the subjects, refer to "Guidebook" or Web syllabus. Contact the Graduate School Affairs Section if you have questions.

#### Details

#### 1. Subjects held at Kanazawa University

- Registration method: Register at the Student Information Service on the Acanthus Portal. For details, see pages "IV Education 2 Taking Class Subjects" of "Handbook for Students Kanazawa University".
  - Registration period
    - (Q3) 7:00, October 1 (Tue.) – 23:59, October 15 (Tue.), 2024
    - (Q4) 7:00, November 8 (Fri.) – 23:59, December 11 (Wed.), 2024
- (※Attention): Course registration is not available from November 22 (Fri.) to December 4 (Wed.).

#### (Note for Lottery subjects)

The following courses will be determined by lottery.

- (Q4) 22-17311.04 "Mathematical, Data Science, and AI Advanced" (On-demand)

**Please be sure to register from November 8 (Fri.) to November 13 (Wed.).**

Lottery results will be available on the Acanthus Portal registration page beginning 9:00, November 18 (Mon.).

#### ■ Notes:

- Quarter subjects must be registered during their respective registration periods. Semester subjects must be registered during Q3 registration period.
- Students are required to decide their subjects on doctoral programs after sufficient consultation with the principal research supervisor.
- Students are also required to adjust the year and semester after obtaining the instructor's consent for each desired subject.
- For subjects for which the opening date, day of the week, timetable, and location of the subject have been determined in advance, contact with the instructor can be omitted.
- You do not need to register subjects that belong to the following categories. They are registered by the office.

【Core Courses】

【Social Implementation Courses】

【Research Support Courses】

## 2. Subjects held at the Japan Advanced Institute of Science and Technology

- Registration method: Registering at the academic affair system of JAIST.
  
- Registration period
  - (2-1) October 10 (Thu.) –October 23 (Wed.), 2024
  - (2-2) December 6(Fri.) – December 19(Thu.),2024
  
- Notes:
  - Please make sure to check by yourself whether you are registered for the courses you wish to take.
  - Registrations must be completed in each quarter.
  - Students enrolled in the doctoral course must take at least 4 credits from the specialized courses offered at JAIST.
  - If there is a duplication of lectures at both universities due to the substitution of the day of the week, contact the instructor and ask for instructions.

## 3. Subjects held in other division at Kanazawa University

- Registration method: After obtaining the instructor's consent for each desired subject, complete the attached application for other major subjects (Form1) and submit it to the Graduate School Affairs Section.
  
- Submission period
  - (Q3) October 1 (Tue.) – 17:00, October 10(Thu.),2024
  - (Q4) November 8 (Fri.) – 17:00, December 9(Mon.),2024
  
- Notes:
  - Quarter subjects must be registered during their respective registration period.
  - Semester subjects must be registered during Q3 registration period.
